

**CANADIAN GEMMOLOGICAL ASSOCIATION
GEMMOLOGY CONFERENCE 2018
REQUEST FOR DONATIONS / SILENT AUCTION**

The CGA Gem Conference 2018, will be held in Vancouver the weekend of October 19 to 21, 2018. We invite you to donate items to the annual Gem Conference Auction. Needless to say, for a good auction, *interesting objects are needed*. Let's make this year's auction the best yet, and most fun. Not only is it a chance to get that specimen you have been hunting for, it is a way to raise funds to help cover costs of the conference and raise funds for student scholarships. So dig in those old boxes in the garage, clear out the cupboards, drawers and shelves. Who knows what you might find to donate!

This year, through the **VCC Foundation**, donations over \$50.00 will **receive an appraised value tax receipt!!** Those items over \$1,000.00 require an independent third party appraisal (government rules). All donations are greatly appreciated. We will arrange for you to have the appraisals done, if required.

Suggestions:

Loose gemstones	Books, maps, interesting photographs
Mineral specimens	Gold and silver
Jewellery items	Free lessons
Faceting material	Donation of 'x' hours of goldsmith services
Carvings, figurines	Appraisal services
Instruments and tools	Old stock which is not selling

Note:

If you register your donation before September 15, 2018 you and your company will be acknowledged in the conference program.
